## **CNCs (E4)**

**\$100.00**

### **Description**

A highly automated nesting solution with automatic loading and unloading system, allows for the complete work cycle of loading, nesting, drilling and unloading being carried out automatically, resulting in maximum productivity and zero down time. This machine consists of world class components; Italian high-frequency electro spindle, controller system and drill bank, German helical rack and pinion drives, Japanese self-lubricating and dust-proof square linear guides and high precision planetary gear reducers, and so on. This is a truly versatile nesting, routing, vertical drilling and engraving machine all in one. It is well-suited for panel furniture, office furniture, cabinets production.

Item	Description	SKU	Rate	Quantity	Total
CNCs	-	E4	\$100.00	3	\$300.00
Subtotal					\$300.00
GST(10%)					\$30.00
