Description: EF583W40

Serial number: 2209076

Wednesday 30th July: Dwayne to deliver the Edge bander and the dust collector and ducting by 8.00am

Dwayne must bring their old edge bander back to factory. And position outside alongside the old rhino edge bander

meet the truck at the customer's site. Today just position machine and level (make sure to use the feet). Advise the correct air supply to the customer.

Thursday 31st: arrive between 7.30-8.30am, commission and train the customer on the edge bander.
